## FREQUENTLY ASKED QUESTIONS

### Who is eligible for a hotel stay at the B&B?

We are only accepting hotel guests that are up-to-date clients of the following clinics:  
Luckney Animal Hospital 601-992-3299  
Animal Medical Hospital 601-992-4822

### What should I pack for my pet's stay?

We provide clean, soft blankets for every room, as well as food and water bowls. We feed Hill's Science Diet Sensitive Skin and Stomach, but you can bring your pet's personal food if preferred. Nothing else required!

### Will my pet be given its medication and/or vitamin supplements during their stay?

Yes, our veterinary technicians administer any necessary medications and supplements. This service is an additional \$2/day for each pet requiring medication. Insulin for diabetic patients is an additional charge.

**What vaccines and prevention does my dog need to board?** We require our guests to be current on their Annual Vaccinations and their Six Month Wellness vaccinations, which include a **6 Month Bordetella**. We are happy to update vaccines if your dog is not up to date. Any puppy that has not received all initial puppy shots must stay in the Hospital located next door.

**What vaccines and prevention does my cat need to board?** We require our guests to be current on their Annual Vaccinations. We are happy to update vaccines if your cat is not up to date. Any kitten that has not received all its initial kitten shots must stay in the Hospital next door.

### Can elderly, special needs, etc. pets stay at the B&B?

Pets with special needs or those with a chronic medical condition, such as diabetes, will stay on the Hospital side to ensure rapid treatment if any issues arise during their stay. Elderly pets (12+) will need to be evaluated upon arrival, at no cost, by our vet staff to ensure they are good candidates to stay at the B&B.
